

Greetings to all new and returning members! Welcome to the 2022 golfing season at MGC.

Members are the life blood of our course, so it is great to see we have so many new members this year. Our course is in great condition this year thanks to the efforts of Mark Calder and his crew.

I would encourage all of our new members to get out and participate in club events, this is a great way to meet your fellow members and make some new golfing partners.

Below are the current club events scheduled for this year, for additional information for these events please refer to the MGC website under the Tournaments and Members Corner.

We are running the Senior portion of the Men's Club Championship on the Monday, Tuesday before the Club Championship. The Senior Men's Club Championship will be played off the White/Green combination tees and the hope is that we will get more of our Senior (55 and over) out for the event. The Senior Ladies portion of the Club Championship will remain with the Ladies Club Championship on the weekend of July 23,24.

We have switched over to Golfgenius for our Tournament Software and Scoring. This year we will be using Golfgenius for Tournament registration which will allow members to sign up for Club Events online via our website. As well the Tournament draws and scoring will be available for each event on our website.

Please note that a valid Golf Canada handicap is required for all club events, if you do not have a current handicap, please see the office and they can help you in getting a Golf Canada account setup so you can establish a valid handicap. Anyone not having a valid Golf Canada handicap will be required to play to scratch (0 handicap) for club events until they establish a valid handicap.

Tournaments and Events

Men's Senior Club Championship – July 18,19

Men's Club Championship – July 23,24

Ladies Club Championship – July 23,24

Juniors Club Championship – Aug 6,7
