

Men's Night

Begins June 15th

Entry Cost is \$30 per person + \$5 per week – Sign Up and pay in the Pro-shop

YOU MUST PAY THE \$30 BEFORE YOU WILL BE ELIGIBLE TO PLAY.

We are going to run similar to last year. There will be no traditional Men's night festivities for most of the Wednesdays, we will however be running 4-5 special Men's nights with the closest to the hole and skill prizes throughout the year. We will publish the dates for the special nights once we get the dates nailed down. All members will be required to hand in their scorecards to the Pro Shop after their round. We will collect the scorecards and publish the Skins and Weekly prize winners via the Website by the weekend each week.

The competition will cover the front nine only to allow for members that are on able to play 9 holes the opportunity to still partake.

There will be weekly skins as well as division prize winners and yearlong prize winners and overall champion. Skins will be awarded as cash with the pool carrying over each week if no winner, weekly and yearlong prizes will be Pro Shop credits.

Members can play at any time on the Wednesday and will need to book their tee times themselves, there will be no Men's Night Tee Sheet.

Sign-up sheet will be in the Pro Shop!!
