

Men's Night

1. **You must pay the \$30 year long entry fee to be eligible to play. Anyone not paid up will not have their score cards counted. Cost is \$5 per week.**
2. Scoring is for the front nine only.
3. Play is off the WHITE Tees, if you want to head back to the Blues have at it.
4. Please make sure you hand in your scorecards at the Pro Shop at the end of your round, I will be collecting the scorecards first thing Thursday morning and will not be chasing people for cards. If you don't hand it in, then your scores will not count.
5. Since the majority of players do it anyway, play lift clean and place thru the green.
6. There will be a skins game for the 9 holes, prizes for winning a skin will be cash. The winners will be posted on our website each week under the Men's Night section and you can pick up your skins money in the Pro Shop by Monday of the following week.
7. Weekly Division prizes will be Pro Shop credits, your club account will be credited for amounts won by Monday of the following week. Winners will be posted on the website weekly.
8. Yearlong points will be accumulated, and we will be awarding pro shop prizes to the top finishers at the end of the year event. Updated yearlong standings will be posted each week on the website.
9. **IMPORTANT!!!! FILL IN THE LAST NAMES AND FIRST INITIAL OF PLAYERS ON YOUR CARD. BILLY BOB, SCOOTER, CHICKEN AND BUBBA MEANS NOTHING TO THE SCORER WHEN THEY ARE TRYING TO FIGURE OUT WHO THE HELL THE CARD IS FOR.**
10. As there are divisions please enter your scores in the system to establish or keep your handicap up to date. Divisions will be adjusted as the year progresses if handicaps change. If you don't have a handicap let me know please and we will get you setup for one.

Have fun and enjoy
Greg Lawlor
