Handicaps

The club is no longer paying the Golf Canada membership fee for each member, so as such members will no longer automatically have access to the Golf Canada Handicap system. Should you still want to

maintain a Golf Canada Handicap please let the office know and they can activate your membership, the cost is \$35. If you wish to join Golf Canada on your own, not thru the club, the cost is \$50.

Please note that in order to play in most club events you will be required to have a valid Golf Canada Handicap.

Golf Canada has published a Handicap guide for Covid19 for anyone that is planning on entering scores during the current playing conditions. The guidelines are available on the Golf Canada website for you reference.

Stay safe out there and be thankful we can at least get out and enjoy golfing during these trying times.

Regards,

Greg Lawlor
