

# Men's Match Play

1. All matches are to be played off the white tees.
2. Handicaps to be used are official CPGA handicaps for the white tees on the day of you match. Strokes given will be based on 80% of the difference between the players handicaps rounded to the nearest whole number. For example: If Player A has a handicap of 6, and Player B has a handicap 12 off the whites). The difference between the two handicaps is  $12 - 6 = 6$  then 80% of 6 is 4.8 so rounded to nearest whole number you get 5. Player B would get a stroke on Handicap holes 1 to 5.

The Course handicaps can be obtained from the Golf Canada site, players without a valid Golf Canada handicap will play as a 0 handicap.

3. Due to privacy laws we are unable to list phone numbers for the players on the draw sheet. It is the responsibility of both players to contact each other to set up their match. If you need assistance in contacting a player please ask in the Pro Shop and they will assist you with contact info for your opponent.
4. All matches are to be played under the 2020 Rules of Golf published by the RCGA and local rules displayed on the score card. In addition play lift, clean and place (within one club length) in the short cut fairway portion of your hole only, in all other areas play the ball down. In bunkers you can smooth the area and replace the ball.
5. Any matches that are tied at the conclusion of 18 holes will proceed to Hole 1 for sudden death playoff, if tied after that continue to Hole 2 and so on. The player receiving strokes will receive them in the sudden death playoff on the appropriate handicap holes.
6. Please ensure you update the draw sheet in the Pro Shop with your match results.
