

CLUB CAPTAIN'S MESSAGE

Moncton Golf Club's 2023 Season

Greetings to all new and returning members! Welcome to the 2023 golfing season at MGC. Members are the life blood of our course, so it is great to see we have so many new members this year.

- Our course is in great condition this year thanks to the efforts of Mark Calder and his crew. I would encourage all of our new members to get out and participate in club events, this is a great way to meet your fellow members and make some new golfing partners.
- Below are the current club events scheduled for this year, for additional information for these events please refer to the MGC website under the Tournaments and Members Corner.
- We are running the Senior portion of the Men's Club Championship on the Monday, Tuesday before the Club Championship. The Senior Men's Club Championship will be played off the White/Green combination tees and the hope is that we will get more of our Senior (55 and over) out for the event.
- The Senior Ladies portion of the Club Championship will remain with the Ladies Club Championship on the weekend of July 22 and 23.
- We have switched over to Golfgenius for our Tournament Software and Scoring. Tournament draws and scoring will be available for each event on our website.

CLUB CAPTAIN'S MESSAGE
